Dear Parents, Guardians, and Band Students,

2018 Fair-Share Fee	\$100
----------------------------	--------------

The 2018 NGHS Marching band “Fair-Share” fee is now due at your earliest convenience. It costs a lot to run our band program. **This fee includes your child’s show shirt.** The fair share fee is your child’s/families “fair-share” of what it costs to run the program. We desperately need the money to continue to pay our instructors, which are currently working camp right now and getting paid for their instruction with your child.

We do so much for your student that often goes unnoticed. The raw amount of money it costs to keep the band running, and running at a high level is an incredible amount. The fair share fee is actually not even close to covering our costs that are involved with your student’s participation, but we honestly need this to just cover our beginning of the year cost of operation.

I know that we ask you to do so much, but please realize that we are always operating on a very tight budget – and this is a very reasonable amount for what your child gets out of band.

*****Please keep in mind that if your child is a freshman – they will need to purchase their own marching shoes and gloves as well.** This order has been taken, and your child's totals will be given to you when we get them. The company we deal with, Music Doctors, has come and fit your child for both shoes and gloves. These are your child’s property and not the bands, and you are responsible for purchasing them.

Like always, if money is an issue, please talk to us. Communication is the key to this program being successful. Your child being successful in band is my number one priority, and we will work with you!

Thank you so much for all you do for the North Greene Husky Band and your student!
