-These are all required events. They factor into your performance/rehearsal grade, and you need to schedule these now. These dates are handed out well in advance, and we need you there for the band program to be successful! Please add these to your calendar and let your parents/guardians know as soon as possible!

-This is not an exhaustive list. There will also be a Christmas concert that will be scheduled during the first few weeks of the semester, and you will get that information as soon as we have it. There always might be a need in the community for us to perform a public event. These dates and times will be given to you in advance as we are notified of them.

As always, check www.nghsband.com for any of the dates or information we have handed out during the semester!
